

Bravix Digital Hub - Online Electronics Store

OBJECTIVE:

Build a responsive Product Showcase webpage using HTML and CSS with Flexbox, Product Cards, Images, and modern UI design.

REQUIREMENTS:

1. Header Section with Brand Name
2. Offer Banner Section
3. Product Cards for Laptop, Mobile, and Smart Watch
4. Product Images
5. Price Highlight using Span Tag
6. Flexbox Layout using display: flex
7. Use justify-content and align-items properties
8. Apply background colors, margins, and padding
9. Professional Footer Section
10. Use Div, Span, and Img Tags
